Cleanliness Drive

Rajarshee shahu science college Chandur railway.

Eco-club

Cleanliness Drive in Surrounding Areas

The Objective of the eco-club is clean India green India is to spread the awareness among people that Cleanliness is next to godliness. Co-club has observed that after being educated also people throw the Litter on their surrounding without understanding harms of unhygienic conditions. We support the cause for better environment and always participate in the activities related cleanliness in our rural area.

The Working of the Eco-Club is in public places ,such as Chandur RAILWAY station ,S.T.bus Depot .Every Week on Saturday the Cleanliness drive is conducted by eco-club both the two target of cleanliness are done smoothly .the Ambassador of the Eco-Club take initiative by Cleaning the railway station both the platform are clean regularly on Saturday .Up & down .Toilet .Plastic carry bags are collected separately and put it in the dustbin .Station Master has a very crucial & important role as he also take initiative by co-operating with the member of Eco-club

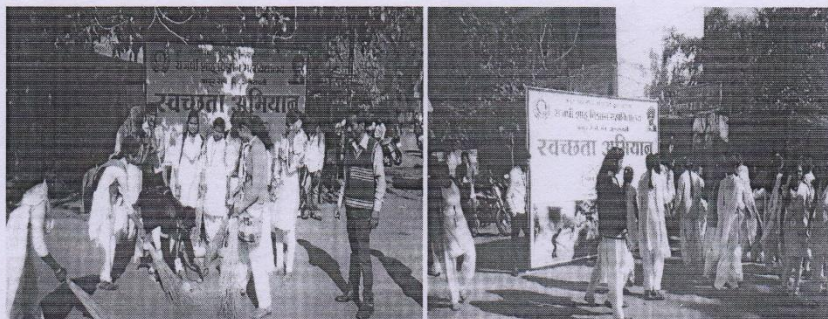

As we have mentioned earlier that cleanliness is next to godliness and our eco club believes in this firmly. It is not only a saying for us but Worship. we are taught from our childhood that the cleanliness not only brings prosperity in our lives but keeps us away from all kinds of diseases .a small step from an individual can contribute a lot to make our Environment Clean .during our Interaction with people of different profession we gathered their views and suggestion at our level what more we can do to continue the cleanliness Drive. Our Eco club student explains importance of hygiene. People provides us that they will come forward with us .we strongly believe that if our surrounding and environment is clean our country will be a better world. During our drive we suggested people to avoid use of plastics and polythene bags so that the amount of garbage will reduce. People were asked to store the garbage in dustbins so that it can be separated to make compost and manure .we suggested people in different societies if they can collect the garbage in their own compounds by digging pits and can convert it in manure .the garden of heir society can be maintained by the manure. We have made dustbins out of cartons and kept them in the classes and inside the college campus where students were asked to put waste papers wrappers plastic polythene bags .our eco- club believes that these small steps can lay a strong and positive impact on socio- economic aspect of the world.

Our Eco- club wanted to achieve the aimed objective that is clean society. Weekly work out at the public places of cleanliness. We were happy to see people have understand importance of clean surrounding that this process will be continued and they have promised us importance of

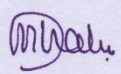

That this process will be continued and they will spread awareness about this drive among the people too. Some people shared their experiences and views where they felt that every individual contribution matters. If we want to keep our surrounding clean during our process, we needed to convince our students we make him understand the importance of the cleanliness and had the need to keep a dustbin. If all take the responsibility but everyone needs to come forward for this drive. It should be the collective effort to keep our city neat and clean. For a large scale it should be performed on root level that is to clean your house first then your society, then Taluka . District, country and ultimately whole world will become dirt free and clean .we observed that the thought of that man concluded that to understand this of clean environment ,no formal education and degree is required but thoughtful and belongings for environment is must.

COTTON BAG DISTRIBUTION

Rajarshree Shahu Science College, Chandur Rly.

Department of Zoology

- **Distribution of cloth bag to students :**

Date : 11th July 2018

In the occasion of our founder President Prof. Annasaheb alias Walmikrao Jagtap distributed cloth-bags to students free of cost. The main objective of the drive was to sensitize the students to minimize the use of plastic bags, not to throw them in public places as they choke drains, causing water logging.

Tobacco Addiction Mass Pledge Program

The incidence of cancer is increasing day by day and the incidence of cancer is mainly due to excessive consumption of tobacco. In rural areas, tobacco addiction starts at a young age and it has become difficult to get rid of it. Therefore, the rate of cancer is increasing. Considering the seriousness of this situation, on behalf of the NSS team of our college, Mass Tobacco Addiction Pledge Program was organized on 11/07/2019. Principal Dr. S. S. Thakare and program officer Prof. Dr. S. S. Under the guidance of Padhen, all the faculty, staff and students took a collective oath of freedom from tobacco addiction and made a lifelong commitment.

All Teaching, Non-teaching and Students take pledge of Mass Tobacco Addiction

Inauguration Ceremony of NSS Team and Red Ribbon Club 2019-20

College youth should do some constructive work to serve the people of the country. National Service Schemes were created with such a broad perspective. As various social activities are implemented to make the student become sociable and love for the nation, it would not be wrong to say that National Service Scheme is a part of social service. Nandkishore Raut was speaking.

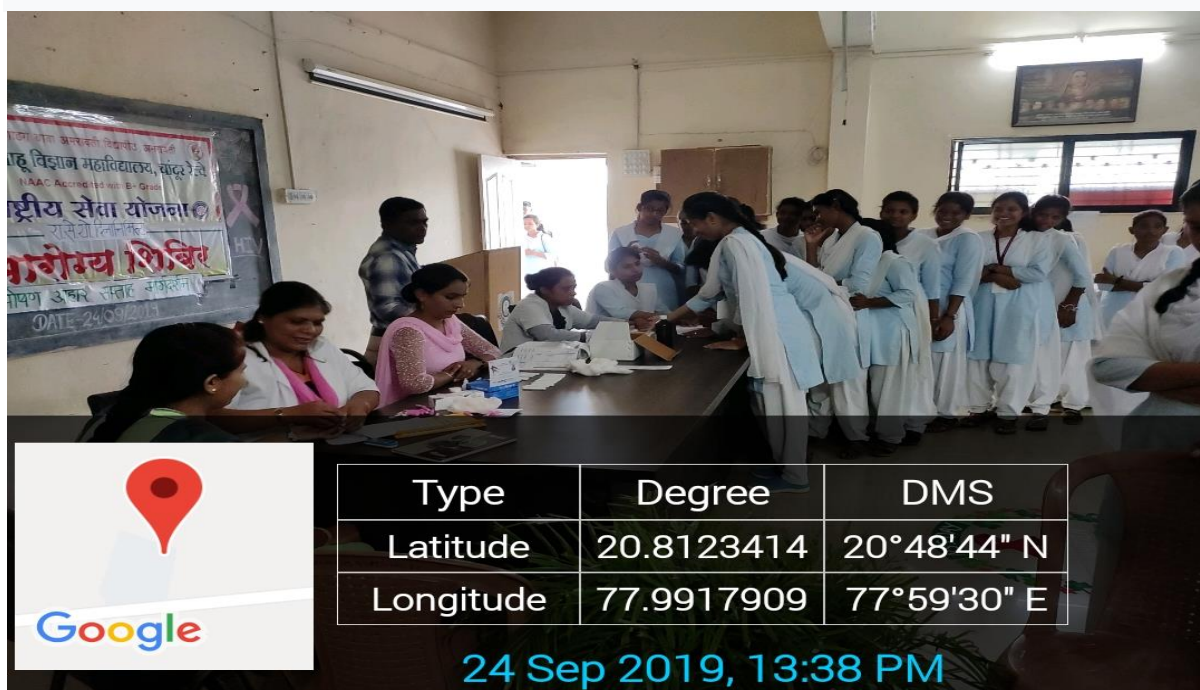

NSS Team and Red Ribbon Club 2019-20 were inaugurated with the auspicious hand of Prof. Nandkishore Raut, NSS regional coordinator Sant Gadge Baba Amravati University Amravati. As the chief guest on this occasion Hon. Amit Belsare, HIV Counselor, Rural Hospital, Chandur Railway explained the complete information about AIDS in his lecture by giving various examples through power point. Also Principal Dr. S. S. Thakare challenged the NSS Swayamsevak students to be equality-oriented and continuously raise public awareness. Program Officer Prof. Dr. S. S. Padhen elaborated the mission and objectives of NSS and Red Ribbon Club.

Hon'ble Ms Poorti Lakode Addressing Students

Health Camp on the occasion of NSS Day

24 September is observed as "National Service Scheme Day". In accordance with that in the college NSS Team and Red Ribbon Club. On 24/09/2019 health camp and nutrition week guidance was organized for students. 153 students sickle cell and HIV inspection was done in the camp. HIV Counselors and experts Dr. Amit Belsare, Sarika Pawar, Vaishali Bhuvate, Poorti Lakode examined the students. On this occasion Hon. Poorti Lakode While guiding the students on nutrition, Poorti Lakode said that we should have a lifestyle of "eating like a king and eating like a subject". For achieving motherhood, girls need to eat healthy food. She also challenged all the students that nutrients should be taken in their daily diet. In the presidential speech, Principal Dr. S. S. Thakare gave valuable advice to the students that if they eat healthy food, they can preserve their health wealth.

Constitution Day

From 26th November to 2nd December 2019 Savidhan Gaurav Din week implemented. On November 26, the promise of the legislative proposal came to fruition.

On this occasion, without calling any speaker, every volunteer was asked to present his views about the Constitution. The students took advantage of the opportunity to express their views about the constitution. Principal Dr. S. S. Thakare praised the opinion expressed by the students while guiding them on this occasion. Constitution Day was celebrated in a different way. On 30/01/2020 Essay Competition based on Constitution Awareness was conducted. 36 students of colleges participated in the said competition. From that Ms. Rani Janjal, first Ms. Harshal Meshram won the second prize. The winning students were felicitated with certificates and prizes by the auspicious hands of the principal.

Awareness on Corona

While the whole world is fighting with corona virus, along with preventing corona infection by the radiology team of the college, the radiology volunteers took care of their skills and did the work of creating awareness in the society. Also, public awareness was created by placing banners in the front of the college. 50 volunteers (10 each) made 500 masks from the college and distributed them to the essential service providers in the surrounding area and spread awareness about Corona. Some volunteers raised awareness about Corona by using social media by taking selfies with slogans. TarmayurShidodkar and Abhilash Jagatapaya served as police officers. 6 volunteers helped in donating food to Moscow with local adventure organization of Chandur Railway. 5 volunteers helped to spray disinfectant in the village. 15 volunteers of UNOSK received training on Covid-19 online. A total of 65 volunteers created awareness by uploading the setu and giving it to the surrounding citizens.

There are 50 student volunteers from different departments of Under Graduate Courses are serving in the unit. It is a registered body under SGBA University, Amravati, functioning on the guidelines of union ministry of Human Resource Development and the ministry of Youth affairs and Sports. The NSS unit observes and organizes various programmes on all International and National Important days like Yoga day, World Human Rights Day, National Voters day, Environment day, AIDS, Women's day, so on.

The unit take up various local, state and central government's social programs like Clean & Green campus- plantation of trees, Voters Awareness and enrolment, Swatch Bharat campaign, Eye Check-up and Blood Donation Camps and so on. NSS organizes various awareness programmes against various diseases , AIDS, etc. Students of NSS assist government agencies by take part in various surveys they conduct and immerse with rural India. Since this year NSS Unit selected Kalamjapur as a Dattak Gram, which is 5Km far away from our college campus.

1. Sapling of seed balls

National Service Scheme (NSS) department of RSSC, Chandur Rly in collaboration with the Mathematics Department organized GROW GREEN Initiative. Almost 20 Volunteers from NSS made about 50 seed balls and made saplings from it and planted the seedlings in their respective villages, in their backyards. We and NSS volunteers performed this activity during 28th June to 26th July 2021.

2) Tree Plantation:-

On the occasion of birthday of our secretary Hon. Shri. Virendrabhau Jagtap, Department of NSS of our college organized tree plantation programme on 11th August 2021. Almost 15 plants were planted on this occasion by our vice president Dr.Vaishnavitai Jagtap , principal Dr.S.S.Thakare of our college and staff. Due to pandemic situation only 12 volunteers were present for this tree plantation programme.

3) Eye check-up and surgery camp:

It was time for villagers to get their eyes checked as there are several eye disorders prevailing due to seasonal changes, pollution and more.

Following this, on the occasion of birthday of our secretary Hon'ble Virendra Bhau Jagtap a free eye check up camp was organized by the Department of NSS, Rajarshee Shahu Science College, Chandur Rly in collaboration with Rural Hospital on 10th August 2021 at Dhamangaon Rural Hospital and on 11th August 2021 at Chandur Rly Rural Hospital. "The eye is the lamp of the body. If your eyes are healthy, your whole body will be full of light," this was the message spread across by the NSS volunteers. NSS, took the initiative to motivate others and create awareness about the protection and importance of eyes.

The camp was inaugurated by Honourable Professor Prabhakar Wagh. Treasurer of our organization Parikshit Bhau Jagtap, Dr. S.S. Thakare and Mayor of Chandur Railway Shitubhau Suryavanshi were present as the chief guests on this occasion. Introductory speech was delivered by program officer, Dr.A.P.Pachkawade and vote of thanks was proposed by women programme officer Dr.R.V.Kene. Villagers from nearby areas were all informed about the eye check-up camp. About 110 beneficiaries took advantage of this eye-check up camp. All patients underwent RTPCR test before eye check-up. Meal packets were arranged for the beneficiaries coming from outside the village in this camp. The patients after eye examination at the camp conducted by NSS in collaboration with Rural Hospital were shifted to Irwin Hospital, Amravati for surgery. There they underwent surgery and after the surgery the spectacles were distributed at the rural hospital at Chandur Railway. Special efforts were made by Dr. A.P Pachkawade, Program Officer and Dr. R.V. Kene, Women Program Officer for the successful organization of this camp.

8) Covid-19 Vaccination Camp:

The government instructed that colleges and universities should fix vaccination camps for students. Students should be fully vaccinated and asked to attend class as a priority. If students are not vaccinated, universities and colleges must take the initiative to set up vaccination camps for students in campus. To conduct the vaccination camp in our college, the NSS department created a Google form on 18th October 2021 to collect information about vaccinated and unvaccinated students and their families. NSS department organized vaccination camp on 30th October 2021 and 10th January 2022 with the help of Rural hospital. According to the data collected from google form, we called the students who has not been yet vaccinated and whoes 2nd dose was remaining. Almost 16 peoples were vaccinated in which some were students and some were other local peoples. Some students could not reach due to bus strike.

Outreach Program on Guidance of Mathematic to School students.

	AtulVidya Mandir Wardha's RajarsheeShahu Science College Chandur Rly, Dist. Amravati
Department of Mathematics	
Guidance of Mathematics to School Students	

1. Title of the Outreach programme:

Guidance of Mathematics to school students.

2. Objectives of the Programme:

Basic school education is very much essential to all children's, especially in rural region. Primary school education can create skill and knowledge of reading and writing English, Maths, Science etc. The importance of basic education improves students' skill, intelligence, knowledge, awareness etc. somewhat broader perspective of rural development in future. That universal or widespread basic education is a key factor in national development. Awareness of Mathematics can be seen in comparisons between the rates of primary education in countries that have high future growth. 'School Chale Hum' is one of the national slogans of government policy. So to train students in Mathematics is our basic objective.

3. TheContext:

Some students dislike math because they think it's difficult. They don't get excited about numbers and formulas the way they get excited about history, science, languages, or other subjects that are easier to personally connect to. They see math as abstract and irrelevant figures that are difficult to understand.

Mathematics is a subject which having rumor of difficult in students. It is difficult to inculcate the idea of Mathematical concept in the students of primary and Pre-secondary schools. That's why Mathematics Department selects this issue to train the students from rural region Schools. They use easy methods to teach school students.

4 The practice:

The burning issue of students' education in rural region is selected by

Rajarshee Shahu Science College Chandur Rly, Dist Amravati, Maharashtra

Mathematics department. Teachers from Mathematics department selected the college students who pursue Mathematics subject in graduation level. They visited schools explain the intention of visit and discuss with concerning higher authority of the schools. And take the permission of authority to teach the school students according to their syllabus and informed to the Mathematics department. Faculties from Mathematics can plan the schedule and send them to school for teaching. College students take easy methods in their own language. Weekly they engage two periods, teach them and solve their difficulties. College students prepare diary and maintain all necessary information such as topic, date, problems etc. And finally certificate is issued from school authority. Detailed information about practice and school is given bellow.

- a) 2019-20: 1) Late, Atul Jagtap secondary School, Tq:-Chandur Rly, Dist.:- Amravati
- b) 2020-21:- Nil-Due to pandemic
- c) 2021-22:- 1) Shri Tansukhdas Rathi Vidyalaya, Varha, Dist:- Amravati
2) Z.P. Marathi School, Kurha, Dist: - Amravati
3) Z.P.Primary School , Anjanwati, Dist:- Amravati
4) Z.P.Pre-Secondary School, Karla, Dist:- Amravati

5. Evidence of success:

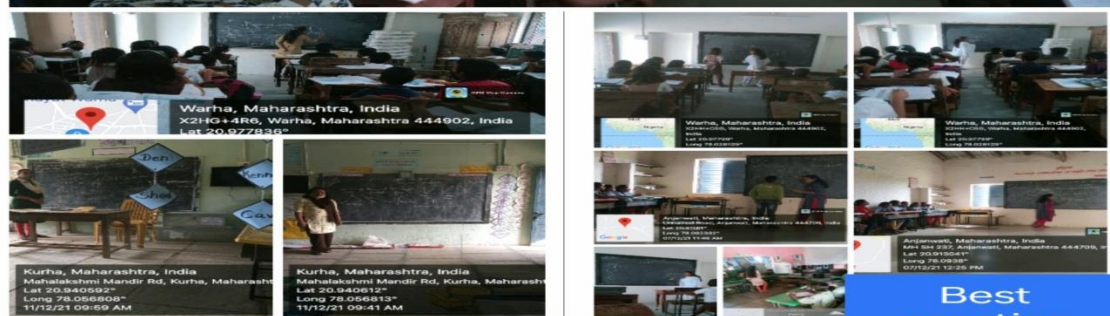

Faculties from Mathematics Department and authority from school had continuous discussion with school students and obtain feedback from them. These students appeared to be very happy and satisfied with the performance of the students. Due to their teaching, they understand the concept, increase the interest, confidence and they are interested to learn from our college students. When authority compares the results of school students, it shows progress. Therefore school authority also gets satisfied by their work and to inspire the college students. They felicitated the students with certificates. The target given to students is achieved within time and they cover more than 90 to 95 percentage of the task. The result of this practice indicates that students from rural region are innocent and sharp but they require more attention and proper counseling. Due to this practice they can turn towards the higher education and contribute to the prosperity of the Mathematicssubject.

6.Problems Encountered and Resources Required:

The schools selected for the practice are generally from rural region and they are away from city. Due to bus strike transportation problem occurred and private transportations

were not available. Another was school timings, it also not convenient for students. Still college students take special efforts for that and did the practice. ICT based teaching may be possible in schools. It requires Electronics gazettes such as Mobile, laptop or projector. It requires regular electricity also. Sometimes download videos related with subjects were shown by the students but the internet connectivity problems also occurred.
