### Constitution Day Celebration (2019-2020)

From 26<sup>th</sup> November to 2<sup>nd</sup> December 2019 Savidhan Gaurav Din week implemented. On November 26, the promise of the legislative proposal came to fruition. On this occasion, without calling any speaker, every volunteer was asked to present his views about the Constitution. The students took advantage of the opportunity to express their views about the constitution. Principal Dr. S. S. Thakare praised the opinion expressed by the students while guiding them on this occasion. Constitution Day was celebrated in a different way. On 30/01/2020 Essay Competition based on Constitution Awareness was conducted. 36 students of colleges participated in the said competition. From that Ms. Rani Janjal, first Ms. Harshal Meshram won the second prize. The winning students were felicitated with certificates and prizes by the auspicious hands of the principal.

### National Science Day (2019- 2020)

In order to commemorate the discovery of the Raman Effect in India by the Indian physicist, Sir Chandrasekhara Venkata Raman in the year 1930, the day is celebrated as National Science Day. For his great success in the field of science in India, Chandrasekhara Venkata Raman had been awarded and honored with the Nobel Prize in the Physics in the year 1930. The “National Science Day Celebration-2020” was conducted successfully on 28<sup>th</sup> Feb, 2020 in Rajarshee Shahu Science College, Chandur Rly. The theme of this year was “Women in Science”. Dr. Smita Thakare, Assistant professor, Matoshri Vimalabai Deshmukh Mahavidyalaya, amravati was invited as a Chief Guest for the program. The session was open by lighting of lamps and Saraswati Vandana. This was followed by welcome address delivered by Dr Amol Thakare, Coordinator of the program highlighting the significance of celebrating the Science Day. Dr Roshani Bhagat gave the brief introduction of chief guest. On this occasion, a motivational and inspirational talk on topic “Listening Skill” was delivered by the Chief Guest. Our Principal, Dr. S. S. Thakare has elaborated the role of students in the development and progression of research in the field of science and technology to take up challenges at a higher level. Session was then open for scientific activities. Various events include Scientific Model Presentation, Poster Presentation and Scientific Rangoli. Hon’ble Principal and Chief Guest distributed the cash prizes and certificates to all the winners of the various competitions. The programme concluded with vote of thanks delivered by Dr Sampada Patharkar. IQAC Coordinator Dr G B Santape, all departmental heads, teaching and non teaching staff and students were present for the programme.

### “ State Level Online Elocution Competition” on “Non-violence” for UG and PG

Elocution refers to one's capacity of communicating with others, with the use of exact speech and gestures. It is natural for parents to want their ward to speak exceptionally well in colleges and other places which are intra/inter, state and national level, to enhance oratory skills. Keeping this in mind wherein every student in class is trained to face an audience with confidence and recite their poems with correct diction, clarity and good pronunciation. “State Level Elocution Competition” was organized in online mode dated on 2<sup>nd</sup> October to 7<sup>th</sup> October, 2020. The objective of this competition was not only to blend learning with

fun but also to develop confidence in the students. The participants won the hearts of the judges and the audiences with their confidence, expression, and talent and made the event really memorable. The best and the outstanding feature were the competitors by their excellent presentation of the speech. Total 27 students were registered their names from different universities all over the Maharashtra state. Participants posted their video clip each along with college ID in video submission link as per the norms laid down by the committee.

Videos were scrutinized and judge by jury pannel,

**State Level Workshop on Stress Management (2021-2022)**

This statement holds very true in today's scenario where everyone is in constant bafflement and riddles, where every moment is a testing moment and where running hands of the clock reminds us that we have to run and bear the loads of responsibilities and live upto the expectations of everyone around. All these situations create and let to stress and strain in life. In order to help the teaching and non-teaching to learn to cope with the stress which they face in classrooms or at personal fronts, one day workshop on " Stress Management" was held on 30 th May 2021 at 09:00 am through Zoom Platform by a renowned resource person B.K.Ashwinididi and B.K. Pramod Bhai. The main highlights of the workshop were – workshop was arranged in two session. For first session resource person was B.K.Ashwini didi. She explained that we can not change the others. we should have to change ourselves. She explained about various types of stress faced by teenagers, stress relaxation therapy that could be followed and different stress management techniques. She also explained that "Stress can be good or bad, it is our attitude how we tackle with it". Answering to the queries of the teachers, she mentioned that it is very important to vent out the feelings in front of the person who could give them the best guidance instead of keeping the knots in the mind. For the second session resource person was B.K.Pramod Bhai. He guided about the Guided Meditation and explained that how guided meditation is helpful in relaxing body and mind. He also demonstrated the Guided Meditation and nd because of this guided meditation, everyone present experienced a relaxed body and mind. Addressing the gathering, Principal Dr.S.S.Thakare said that, stress and anxiety are an integral part of humannature and it is imperative to know how to deal with it and ultimately overcome it. Near about more than 53 participants were registered for this workshop and 30 to 40 participants were present for this online workshop on "Stresss Management". The workshop was host by Dr.R.V.Kene, Head Department o fMathematics and vote of thanks was proposed by Ms.M.S.Palaspagar. The workshop concluded with a big smile on the faces of all staff and with a promise to deal with stress in a positive way.

### Flipped Classroom Activity on Moral & Ethical Value (2021-2022)

In a flipped classroom students engage with lectures or other materials outside of class to prepare for an active learning experience in the classroom. This Flipped Classroom activity develops confidence among the students and others communication skills, debate skills. By keeping in mind current situation of the society and culture of the society, Department of Mathematics, Rajarshee Shahu Science College, Chandur Rly was organized this Flipped Classroom activity on Moral & Ethical Values on Dated: 31<sup>st</sup> July 2021. In this activity college principal Dr. S. S. Thakare and Head of the department Dr. R. V. Kene and Assistant Professor Ms M. S. Palaspagar were also presented for this activity. In this activity students said that a Morals are the rules which people use to guide their behavior and thinking when an individual

is dealing with, or capable of distinguishing between right or wrong. Moral values are relative values that protect life and are respectful of the dual life values of self and others. The great moral values, such as truth, freedom, honesty, fairness, kindness, politeness, respect, virtues, perseverance, integrity, to know about one's duties, charity, compassion, etc. have one thing in common when they are functioning correctly, they are life protecting or life enhancing for all. But they are still relative values. Our relative moral values must be constantly examined to make sure that they are always performing their life protecting mission. Hereafter comes ethics of a person. Ethics are moral values in action, a person who knows the difference between right and wrong and chooses right as moral. A person whose morality is reflected in his willingness to do the right thing-even if it hard or dangerous is ethical. Morality protects life and is respectful of others – all others. It is a lifestyle that is consistent with mankind's universal values. All the students of B.Sc.II PCM CMP were actively participated in this activity.

### Covid-19 Vaccination Camp 2021-2022

The government instructed that colleges and universities should fix vaccination camps for students. Students should be fully vaccinated and asked to attend class as a priority. If students are not vaccinated, universities and colleges must take the initiative to set up vaccination camps for students in campus. To conduct the vaccination camp in our college, the NSS department created a Google form on 18<sup>th</sup> October 2021 to collect information about vaccinated and un-vaccinated students and their families. NSS department organized vaccination camp on 30<sup>th</sup> October 2021 and 10<sup>th</sup> January 2022 with the help of Rural hospital. According to the data collected from google form, we called the students who has not been yet vaccinated and whose 2<sup>nd</sup> dose was remaining. Almost 16 peoples were vaccinated in which some were students and some were other local peoples. Some students could not reach due to bus strike.
