

Best Practice - I

1. Title of Practice; Students Progression

2. Objectives of the Practice:

- a) To build confidence in students.
- b) To create better understanding between the teacher and students.
- c) To enhance students' academic performance and attendance.
- d) To enhance the participation of students in various competitions.
- e) To inspire and motivate for higher studies and competitive examinations.

3. The Context.

The college is situated in a rural surrounding and most of the students admitted to the college are from financially weaker section. Girl students are more in number as compared to Boys. Due to their family, area and primary education background, students lack in many basic things in their personality. At initial stage it has been observed that students are generally unaware of competitions outside, low confidence in communication and hesitant in participating in institutional activities. It has become a moral responsibility of the institution to bring them into the world of competition by motivating, inspiring and building enough confidence. To uplift student's overall personality and bring them in the main stream of education, the college has initiated a practice under 'Students Progression'.

4. The Practice

Institute teachers observe students in first year, mentoring committee play very important role in student distribution. Every student of college under scheme. Mentoring teacher and council cell observed student and counsel students to overcome the fear from student mind. Students. Teacher visited to college student's house and recognised their problem and solves their problem. Every department try to participated maximum student in various collegiate and intercollegiate activities that help to enhance the courage in students.

Ultimately that effect on student performance academic year maximum student participated in various activities prizes got during academic year 2020-2021 Along with that student admitted for various PG Courses.

5. Evidence of Success: -

Among 297 students, maximum students participated in various collegiate and intercollegiate activities repeatedly total participation was 416 during session 2020-2021 Out of those 19 students got prizes in various competitions. Along with those total 24 students admitted for post graduate courses in different institutes. Due to pandemic maximum lectures was online through proper communication college attendance was enhanced. Students who admit in first year who have positive changed in their personality after graduate degree Through student progression maximum students got chance to actively participated in collegiate activities.

6. Problems Encountered and Resources Required

- a) Due time factor, it not possible teachers visited each and every student's house.
- b) Due to pandemic students' attendance was affected.

Notes (Optional)

Students positive Change in their personality after graduate degree.
